

M.V.V BUILDERS

MVV Builders is one of India's leading real-estate development companies, headquartered in Visakhapatnam. With nearly three decades of experience, today it has become an established name with a track-record of developing innovative projects emphasizing on contemporary architecture, strong project execution and quality construction. With an aim to build as peritoneal developments with distinctive designs, functionality and finishes, MVV Builders continues to evolve as a company and create spaces that enhance the customer's lifestyle. While its primary focus is on residential projects, it has a diversified portfolio of projects covering every key segment of the real-estate market.
