BUILDING DREAMS, CELEBRATING EUPHORIA

As dreams evolve, so do the spaces that bring them to life. At **Bhuvana Group**, we take pride in crafting residences that go beyond just homes - they are the foundation of aspirations, comfort, and a life well-lived.

With the grand unveiling of Fortune Greens by the esteemed **Dr. Murali Mohan Maganti**, we introduced not just a community but an experience-one we call **EUPHORIA**. Designed to redefine luxury, Fortune Greens offers three distinct villa types, each blending elegance with functionality, ensuring that every resident finds a space that resonates with their vision of home.

Here, every moment is a celebration, every space is thoughtfully designed, and every day is an opportunity to indulge in a lifestyle that is vibrant, fulfilling, and timeless.
Welcome to Fortune Greens - where life blossoms in endless joy.

EUPHORIA

WELCOME TO BHUVANA GROUP WHERE NATURE MEETS LUXURY

In the bustling cityscape of Hyderabad, where urbanization often overshadows greenery, Bhuvana Group has emerged as a beacon of harmonious living. Founded in 2019 by four visionaries - JAIPAL REDDY, DAYAKAR REDDY, VINAY VEERABATTINI and VIKRAM BAIRAGONI the company has swiftly established itself as a leader in real estate, driven by a mission to blend modern living with nature's serenity.

Bhuvana Group was born from a shared dream to craft residential spaces that offer respite from city life's chaos. The founders, each deeply appreciative of contemporary amenities and natural beauty, envisioned homes that seamlessly integrate urban sophistication with lush greenery. Their ambitious goal is to create modern, comfortable abodes deeply rooted in nature.
