a divine space is
a state of bliss

The stunning facade is an interesting work of art.
The towers stand tall on meticulously landscaped grounds. There is a lavish spread of greenery and walking tracks where residents can enjoy the breeze and the company of friends. The idea is to create happy spaces all around.

pampers with you

joys

Sometimes, a splash in our outdoor swimming pool is the best way to wash away the stress of everyday life. Head to the pool with the children and have the time of your lives. It can be equally entertaining from the deck side seating, so grab lemonade and watch the action.

master plan

a divine space is
designed by nature

Our architects and designers are inspired by the elegance of nature, and have turned Divine Space into a gorgeous blend of modern architecture and bountiful greenery. The towers are defined by sleek lines, and surrounded by open space and the skies above. It's the perfect setting for a divine life.
