SRI BHRAMARA  
**GROWTH CITY**  
Let the life bloom

## Connecting Dreams - Transforming Rural Areas through Urban Opportunities

Sri Bhramara aims to provide essential services for a safe and pleasant way of life, while addressing the challenge of potential overcrowding in cities caused by the migration of young individuals from rural areas, which has led to a decline in the agricultural sector. This has resulted in lower productivity in farming.

By extending modern facilities and amenities to rural areas, Sri Bhramara strives to balance rural and urban lifestyles, in alignment with the PURA concept advocated by Bharat Ratna Dr. **APJ Abdul Kalam**. Inspired by this vision, Sri Galla Ramachandra Rao, CMD of Sri Bhramara, has successfully achieved the goals of PURA in the remarkable Zenith City of Vinukonda.
