# MOONGLADE

HIGH-RISE LIVING AT NARSINGI, KOKAPET

Experience redefined luxury living at *Moonglade*, where moonlit charm meets prime location on the outer ring road. It's more than just a residence; it's a symbol of effortless opulence, offering curated indulgences at every turn. Your gateway to lavish living awaits here.

AN INITIATIVE BY

# The Best in **City** & the Finest on **ORR**

Beneath  
Hyderabad's sky,  
Luxury's rulebook is  
rewritten in highrise  
bliss. A beacon of  
elevated living is  
gracing on ORR,  
where high-life  
unfolds.

MOONGLADE

8-LANE ORR

The Heritage city gracefully transforms in the new era of sophisticated elegance. Traditional grandeur gives way to sleek, discerning fashion, and antiquated environments evolve to reveal innovative opportunities. The vibrant Hyderabad of today is moving forward, and usher in a new wave of contemporary luxury. It's where old-world, formal opulence co-exists with modern, discerning style. Moonglade is more than a residence, it's a world of finely curated experiences. It's where you can live seamlessly and enjoy unrestricted access to the finest things in life. It is both a landmark of modern luxury, as well as a roadmap of things to come.

Breaking boundaries in Hyderabad's skyline. The first-ever New-age Residences are Rising in Kokapet.

Moonglade is an integrated layout of apartment high rises and intricate design of detail with open spaces. It creates an environment that forges a seamless connection among residents, spaces, and buildings. These open spaces are strategically designed to accommodate diverse age groups, offering activity-based green areas that cater to a variety of

needs and foster a warm sense of community. Moonglade prioritizes residents' connectivity to the natural environment through a thoughtful utilization of nature and topographic conditions. These open spaces not only serve as recreational zones but also contribute to improving air quality, reducing the carbon footprint, and elevating the overall quality of life.

Where thoughtful Design  
creates harmonious Spaces,  
a haven of Happiness  
and community Connection

Welcome to a realm where luxury meets architectural ingenuity in our mega luxury apartments. With meticulous attention to detail, we've sculpted spaces that redefine opulence, offering a harmonious blend of contemporary design and

timeless elegance. From the breathtaking panoramas of the city skyline to the exquisite finishes adorning each residence, every aspect has been crafted to indulge your senses and elevate your lifestyle. As architects, we take pride

in presenting a sanctuary where innovation meets sophistication, promising not just a home, but an unparalleled experience tailored to exceed your every expectation. Welcome to a world where luxury knows no limits. welcome home.

# A Grand Entrance to An Elevated Lifestyle

Prepare to step into a haven of Luxury living. The stately entrance gate opens up a world of tranquility, a 14-acre project embellished with parks, play areas, pathways, vibrant flora and foliage. Electronic

surveillance is reassuring for the ultimate in freedom. Access control system facilitates unobstructed driving in and out of premises. Security is foolproof with visitors being monitored round the clock.

# A LANDSCAPE MOSAIC BOTH AESTHETIC & FUNCTIONAL

The ground level at Moonglade is vehicle-free, showcasing a planned premises. This design enhances the aesthetic appeal and contributes to the freedom of residents. The absence of vehicular movement at the podium level is meant for a pedestrian-friendly environment. As you enjoy in activity zones, the towers are connected to one another

by bridges for seamless movement. Access to the basement is facilitated through ramps at each tower. Ramps are positioned at appropriate intervals, providing a well-planned flow with signage. The vehicular movement including emergency services, Fire Tenders are restricted to basement floor. This innovative approach prioritizes both safety and

convenience. With a single Main Entry/Exit point, the road network at Moonglade forms a continuous loop, connecting every tower and clubhouse. The holistic design approach reflects a commitment to creating a secure and well-connected living environment for all residents.

SCAN for Google Maps Location

**OUTER RING ROAD**

The 158 Kms, 8-track Jawaharlal Nehru Outer Ring Road has given impetus to growth in Hyderabad city. The ORR connects Rajiv Gandhi International Airport, Kokapet Golden Mile, Financial District, Gachibowli, Kollur and beyond. The land appreciated multiple times along ORR on account of IT companies, Industries and SEZs etc.

**MUCHUKUNDA RIVER**

The Moonglade is being built along the banks of the river Musi, serving as an inspiration for you to keep going Muchukunda. The Musi gracefully traverses the Anantagiri Hills, and reaches Hyderabad city at Gandipet. Be a part of its everyday journey and enjoy its views from your balcony.

**MRUGAVANI NATIONAL PARK**

Moonglade enjoys being in Oxygen Zone with better AQI indices. The Mrugavani National Park is situated 10 minutes away covering an area of over 1211 acres. It is home to 600 different flora and fauna species and to spotted deer, hare, rat snake, Russell's viper, chital and the flower pecker, Cheetal, Sambar, Wild boar, Jungle Cat, Civet Cat, Mongoose, Monitor Lizard, Python, etc. The Park also has more than 100 species of birds like warblers, peacocks, lapwings, and flower peckers etc.

**SOLAR INDIA'S FIRST ROOF CYCLE TRACK**

An ultra-modern 23 Kms long bicycle track runs parallel to Outer Ring Road from TSPA Junction to Kollur to touch Moonglade. Stay fit by cycling on 4.5-metres wide track to your office. The two-way track is covered with solar roof that generate power but also protect the riders from harsh sunlight. The panels have the potential to generate power to illuminate 32,000 street lights. Known as "Healthyway Cycling Track"

**RAJIV GANDHI INTERNATIONAL AIRPORT**

Rajiv Gandhi International Airport has opened in 2008 in Shamshabad. The largest airport in India by area has ranked in AirHelp's list of top 10 airports in the world. It is the fourth busiest airport in India by passengers traffic it handling nearly 21 million passengers in 2022 – 2023. A 20-minute smooth drive from Moonglade will take you to India's first greenfield airport.

MOONGLADE

## THE PROMOTERS

# BUILDING ICONIC LANDMARKS

When the two construction giants come together, it's likely the excitement is building. For over a decade, the promoters have been building integrated lifestyle environments in Hyderabad. Being a group of technocrats, the promoters choose the best in designs, material and features that meet high-end expectations of customers. Fiscal discipline, on-time completion and choice of strategic locations bracket the promoters in the league of elite builders. The project is set to raise the benchmark both in scale and quality at Narsingi.
