## WHY MODI BUILDERS

### Price : For same quality, amenities and specifications, prices are lower

- We have no investors and none of our projects are on development. All land is owned by the company, eliminating landowner/ Investor profits.
- Construction is directly carried out by us thereby keeping construction costs under control.
- Purchase input materials cheaper due to multiple projects and economies of scale.
- Purchase of larger tracts of land at reasonable prices.

### Quality : Best quality of construction for specifications promised

- Management is involved in planning and execution.
- Products used are made by reputed companies.
- Experience in managing large projects and delivering good quality

### Amenities : All projects have excellent amenities

- Pioneers in Hyderabad in introducing the concept of amenities in housing projects of all cost categories.
- Projects are always planned over vast land areas giving space for providing facilities such as playgrounds, gardens and open spaces.
- Amenities ensure a great quality of life for entire family and especially children. Clubhouses are always planned in every project.

### Permissions & Title : Correct permissions and sales are done after sanction

- Title is perfect with no litigation of any nature.
- All projects are sanctioned by HMDA/ GHMC and have all other clearances.
- Projects are registered with the RERA authorities as per requirements.
- Strict adherence to sanction plans and without any deviations.

### Timely Delivery & Customer Service

- Delivery as per dates mentioned in agreements and committed at the time of sale
- Assurance on transparency and professional customer service
